My Mom, your beloved sister Sophie is going to miss you something terrible. Your conversations that were mostly filled with laughter, always reminiscing about your time together. You, Sophie and Val, were a force to be reckoned with, you were a Ma Katie and Daddy Henry's youngest three! I know Ma's glad you're with Uncle Val and the whole gang, but for now it will be minus her. She'll spend some days in tears wishing she could call you up, but she'll have many days smiling when she thinks of you. She knew you were slipping away when she couldn't reach you in the phone but now she can speak with you every day when she looks up to Heaven. Her sweet brother she will miss you until you meet again!
